The Official Publication of Timuquan Lodge 340

Section Seminars coming to SHSR

By Marty Shermetaro

On November 5-7, Timuquan Lodge will once again be holding a section event at our very own Sand Hill Scout Reservation. Timuquan Lodge 340 has always set high standards for hosting events and this year's Section S4 Seminars will be no different. In order to host this event, we will need Brothers like you to staff, support, and participate in the weekend. I encourage all of you to talk with my committee chairmen and advisors and sign up for a committee. During the weekend, most of you will not only have the opportunity to host this event, but you will also be able to participate in the training aspect of seminars. Some of the training includes; ceremonial training, American Indian activities, lodge development and leadership training, and much more. Please be sure to register by October 15th so that you are guaranteed a patch and a t-shirt. I look forward to working with all of you and sharing a weekend of fun, fellowship, and great memories. See you all on November 5th!

In cheerfulness, service, and fellowship,
Marty Shermetaro
2010 Section S4 Seminars Chairman

Work day scheduled for October 30

By Taylor Briggs

We are looking for a few Timuquan Lodge 340 members to be able to come to Sand Hill Scout Reservation on Saturday, October 30. We need to put the final touch on some service projects so that we are ready to host Section Seminars. We need to spruce up the front gate, paint the latrines in campsites 4 and 6, and mow several areas around camp.

We should plan to arrive at the main gate at SHSR by 9:00 to put in a couple hours of cheerful service. Please let Taylor Briggs or Mr. John Petrucci (727-709-0381) know if you will be attending.

Lodge Adviser's Corner

My Brothers!

As this edition of the EAGLE goes to press, Timuquan Lodge is busy preparing to host the 2010 S4 Section Seminars. Our Lodge Chief, Ian Ronshausen, petitioned for this honor and has great confidence in our ability to pull this one off. I share his faith in your dedication to a life of Cheerful Service and know that we will prove to be the cordial and supportive hosts that will make this an outstanding event for our Section Brothers.

One of the important parts of our program involves the idea of service. That service takes on several shades, from the Section One Day of Service to make our community better, to helping teach and staff University of Scouting to help make better leaders, to sharing a celebration with our neighbor Council, Gulf Ridge, at the Centennial Camporee at MOSI in Tampa, to serving as a role model for young Tiger Cubs who are just forming their understanding of what Boy Scouts is all about. Yes, it makes the calendar cringe with all of the Boy Scout dates! But here's the deal: Timuquan Lodge has over 400 registered members. With that many willing and helping hands, there is no reason why we can't make and keep commitments on a regular basis. The key is to pick your favorite activity, promise to support it, and just do it! We can be wonderfully successful and not overload any single person, leader, or Chapter. Please decide that you will help serve our community and Council and make that commitment.

On September 11th, we marked the 9th anniversary of the attacks on the World Trade Centers and the Pentagon and the remarkable courage of the passengers on United Flight 93. Our world has changed since that dark day because we trust strangers a little less, understand other cultures with a little more difficulty, and have watched our family, friends, and neighbors march off to service in other parts of our country and the world in ways we never envisioned before that morning. While there are many lessons we learned that day, all the way from "there are people who don't like us and our way of life" to "the price of freedom is eternal vigilance," I believe the most important lesson that we learned was this: Being an American is not a right; it's a hard earned privilege which requires us to review our values and rededicate ourselves to them on a daily basis. It is only by understanding what our freedom costs and how we will contribute to it that we will continue to be free. To all Timuquan Brothers 18 years old and older (ok...some of us are MUCH older!): Please exercise the responsibilities of citizenship on Tuesday, 2 November by voting.

Thanks to you all for your support of the Youth of West Central Florida Council and Timuquan Lodge 340 OA!

Yours in Service,
Eric Renker
Lodge Adviser

Mr. Sam Joseph, Historian Adviser

Brothers,

I want to apologize for not being present at the September weekend. Sadly, school doesn't understand how to lessen school work to go camping which I hate to miss out on. Ok, on to business...As Historian, I set some goals to be accomplished throughout the year, and I am here to report on a few...Chapter Chiefs, I hope you are still working on being the newest addition to the King's Cup display. You were asked to make a poster similar to Outina's with information from elections to fun events, basically a representation of our Lodge at a smaller level. I am asking for those now, but you will need them in the next few months as we prepare to finalize our display. Brothers, I hope you all got a chance to see the sign-up sheets for the Centennial Camporee. We need your help to man a shift schedule in the King's Cup at the camporee. I will be there supporting Timuquan and if you are attending this council event, I could use your help.

Thank you,
Michael Coser, Lodge Historian

Elections were held at Section Conference to determine the leaders of our Section for 2010-2011.

Brothers,

I was very happy to see all of you come out this weekend. I made the long trip from Ft. Myers to be at camp. I was here early, but I had to leave Saturday night to spend time with family while in town.

I am looking for a couple of chairmen for positions. I am also looking for camp hosts for the upcoming Section Seminars. If you are interested, please contact me.

Thank you,
Eric Frankovitch, Administrative Vice Chief

Jakob Fritz, Inductions Vice Chief
Mr. Paul Drouin, Associate Adviser

Dear Brothers,

Wasn't that a great weekend? There were fun activities and we inducted 24 members into our honored order. Our ceremonies team did a great job this weekend. I was very impressed with them. As IVC, I believe I improved from last weekend. I now know what I am doing so I feel more confident doing things. I had the help from my assistant this weekend and the help of Eric Frankovitch. I thank them for helping me create a successful weekend for the candidates. Thank you all for the great weekend and I hope to see you helping us out at Seminars on November 5-7.

Reminder: Medical Forms are Now Required for all Lodge and Section Camping Events

Now that the new lodge policy regarding medical forms has been in effect for a few camping events it is a good idea to review a few important often overlooked items:

- Must be on BSA Form No. 34605 (no other forms will be accepted).
- The date of the medical exam must be within the last 12 months.
- Be sure to complete Parts A, B, AND C. This includes making a copy of your health insurance card as part of the submission.
- Be sure to have it signed AND DATED by a qualified medical practitioner in Part B and for a youth under age 18 a parent or guardian as well as yourself in Part C.
- Submit a copy only. DO NOT submit an original. The lodge DOES NOT own a scanner or copier.
- Forms can be submitted to the council service center at any time such as with an event registration or can be emailed to medicalform@timuquanlodge.com (pdf format preferred) and will be kept on file until expiration.
- Remember, it is YOUR responsibility to keep this form on file up to date not the lodge's. So it is always a good idea to bring a backup copy to the event just in case your form has expired.

Please consider this form a required piece of camping equipment just like a water bottle or good pair of hiking boots. If necessary, place a copy in your backpack, car, wallet, or personal first aid kit on a routine basis just in case.

Below are listed the chairman and the advisers for the Section Seminars committee. Please contact one of them to offer your assistance for the weekend of November 5-7, 2010 at Sand Hill Scout Reservation as we host the S4 Section Seminars. Many hands make light work. If you are not already part of a committee when you arrive on Friday, you will be assigned where needed.

Section News

from Associate Adviser Mr. Ken Knaebel

This week we should receive information on the 2 national events next summer: Indian Summer and Summit Corps. At the Section Officer's Summit on September 10-12, Clyde Mayer previewed this information for us. I wanted to pass it along to the Lodge leadership so you can make plans. It will be necessary to react quickly to Summit Corps.

Summit Corps: Summit Corps runs every week in July 2011. The dates are July 3-9, July 10-16, July 17-23, and July 24-30. Participation is limited to 500 per week. Lodges are guaranteed 8 slots. The lodge must travel as a contingent and attend the same week. Registration begins September 20, 2010. Lodges will be limited to a maximum of 23 people. The 8 slots will be held until December 1, 2010. At that time, if a lodge has sent in more than 8 deposits, National will begin awarding slots to the waiting lists. The Lodge must choose the week that it wants to participate. There is the chance that the week we choose will be full, so do not wait. Deposits of \$100 per person are due December 1. Total cost is \$250. Minimum age is 14. Participants will be staying at a National Guard Armory. More information is available at <http://event.oa-bsa.org/events/summitcorps2011/>.

Indian Summer: Indian Summer is August 1-6, 2011 at the Ridgecrest Conference Center in Ridgecrest, NC. Lodges are guaranteed 10 slots for Indian Summer and there is a maximum of 1100 participants. Lodges need to send their deposits in by March 1, 2011. Nothing was said about how the waiting list will be handled, but I guess it is the same as Summit Corps, except with the different deadline. Cost for Indian Summer is \$325 for people who want to stay in housing that holds 6-8 people, or \$425 for those that would like to share a hotel room/dorm with one other person. There are a total of 200 hotel room/dorm spaces available. More information is available at <http://event.oa-bsa.org/events/is2011/>.

NLS/NLATS: November 4-6, 2011 at the FFA camp in Haines City, FL. This does not conflict with Section Seminars. This is in our "backyard" and we need to send people. It's a long time away, but it is something that should start being mentioned in LECs. Registration for this will be online with a new procedure. More information is available at <http://www.main.oa-bsa.org/programs/nls/> and <http://www.main.oa-bsa.org/programs/nlats/>.

OA High Adventure: OA Ocean Adventure is back. The program has changed. It is 4 days of service and then 4 days of sailing, snorkeling, kayaking, and fishing. There are 6 sessions of 36 participants. Scouts who have participated in other OA high adventure will be given priority.
